

vin-guistics

learn to speak wine

france- italy-spain

alternate and new varieties

pronunciation, -labels, -appellation

tips-tastings

understanding wine lists and more

Where?

The courses are available at various locations from Goolwa, McLaren Vale to the city-at offices, wineries and restaurants and private events.

When?

We schedule courses regularly and also provide private sessions for groups of 10-15. Times are flexible and a vin-guistics session takes 2 hours and costs \$50pp for our basic courses. Gift vouchers are available.

How?

We believe wine education should be empowering, current and enjoyable-we don't believe in wine elitism- we love wines from all over the world and we are passionate about small producers who over deliver- we love producers who care about the wines and the environment - believe in a sense of place and drinkability - we respect wines that have stood the test of time and inspire

learn to understand and recognise the wines behind the labels and regions of the world-taste and compare international and Australian examples-learn how to pronounce wines and places-how to understand styles and regions -gain confidence in ordering from a wine list

We have a series of **vin-guistics short courses** commencing with:

6 regions of France- join a tasting tour of Champagne, Burgundy, Bordeaux, the Loire, the Languedoc and the Rhone valley.

Italy- Barolo and beyond-Northern-Central-Southern regional wines
